Education

SCAD Rising Star

2019

Savannah College of Art & Design, Savannah, GA

Tackled college junior-level classes at an expedited speed as a high school senior, explored animation with Concepts and Storyboards, and discovered entirely new skills in Computer-aided Product Design, ending the summer with a 4.0 GPA.

Savannah College of Art and Design

2020-Ongoing

Savannah, GA

Underclassman attending the Savannah College of Art and Design, studying for an animation major and game development minor, currently with a 4.0 GPA.

Professional Experience

Freelance Artist

2016-Ongoing

Online

- Creating work based on client-request with communication at a consistent standard.
- Time management to produce work for clients in a reasonable period.
- Experience building a community of clientele and establishing personal, positive customer service.
- Understanding price as an extension of demand as well as quality.
